ABOUT US

The cornerstone for everything we do is performance. It's the ultimate standard by which we are all judged. And when our customers find themselves in those critical situations, when failure is not an option, they know they can rely on Shields Electronics Supply to deliver. Customer service isn't a department at Shields Electronics Supply; it's one of our competitive advantages. We've been in business since 1961 and that's not by accident. We are your Go To Team—If you need it, we can get it, period. Give us a shot! Shields Electronics Supply is an award winning partner with the best manufacturers in various industries. Give us an opportunity to prove to you what many others already know. You get more for every dollar when you do business with Shields Electronics Supply.
