GC/Waldom

Inspection Mirrors

5090 7^{1/2}" long mirror. Metal shaft and plastic handle.

5090-P 7^{7/8}" long all plastic insulated mirror. No danger of shock or shorting.

Extra Hands with Magnifier 12-053

Two alligator spring clamps and double ball joints hold work at any angle. Third clamp holds 2" magnifying lens for doubling size of hard to read part numbers and verifying repair accuracy. Spring clip holds objects at any angle leaving both hands free to glue, solder, repair or assemble with ease. Heavy cast-iron metal base provides stable error-free assistance.

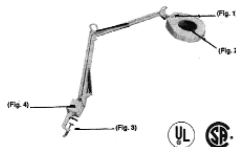

Inspection Mirror 63-390

A 1.25" diameter magnifying mirror, similar to a dentist's mirror except that this one has ball joints for adjusting to just about any angle. Makes seeing the problems while servicing in tight spots much easier. Length: 6".

Fluorescent Magnifying Work Lamp

- SL114 Lamp
- SLR115 Replacement Bulb
- SLR116 Rocker Switch Assembly
- SLR119 3 Diopter Lens
- SLR120 5 Diopter Lens
- SLR117 C Clamp
- SLR118 Base (Transformer Housing)

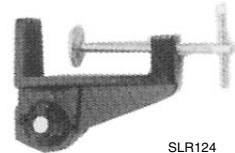

UL/CSA approved. Steel balanced 45" extension arm. Adjustment spring tension knobs at all joints. Three conductor AC cord 120V AC/60 Hz. Precise 3 Diopter lens. Supplied with 22W fluorescent circular tube. Durable baked enamel finish. Extra strength steel and die cast base and clamp. Packaged in four color box. This fine precision product is excellent for inspection of printed circuit boards and inspection of any fine detail work. A must for the technician, the laboratory and the production line. Will clamp to any drafting board or work surface up to 2-1/4" thickness.

Accessories for SL114 Magnifying Lamp

- SLR121 Counter Base
- SLR122 Floor Base
- SLR123 Adjustable "C" Clamp
- SLR124 AC Receptacle for Base Housing

SLR124

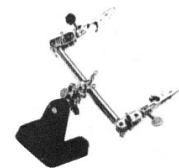

Incandescent Magnifying Lamp SL300

UL Approved. Steel 39" extension arm: properly balanced for easy maneuverability and positioning. Springs with adjustable tensioning knobs at all joints. 18 AWG/2 Conductor SPT-1 AC cord with polarized plug. 120V/60Hz. 3-3/4" Diameter lens with magnification lens of 3x (3 diopter). Uses standard 60 watt household light bulb (not included). Attractive, durable white molded housing, base and clamp.

Helping Hand with Magnifier S393

The helping hand with magnifier will hold components and your hands are free. Dual crocodile clips are adjustable so that parts of various sizes can be held at nearly any angle.
